April 20, 2021

Dear Student-

On December 27, 2020, President Trump Signed the CRRSA (Coronavirus Response and Relief Supplemental Appropriations Act). This act is supplemental to the CARES Act and significant features of this act with regards to the Higher Education Emergency Relief Funds (HEERF 2) emergency student grants are that it has some expanded flexibilities regarding eligibility and that it extends those flexibilities to any balance existing as of 12/27/2020 of the HEERF 1 student emergency grant funds.

Under the CRRSAA, the emergency grant funds are intended to be used for “any component of the student’s cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care) or child care.”

HEERF 2 are being awarded under the guidelines of the HEERF 2 outlined by the U.S. Department of Education. The new guidelines require priority for students with financial need as determined by Pell Grant eligibility and/or other methods determined by the institution. Waynesville Career Center has developed a tiered award system that gives priority to students with the most financial need. This tiered award system is weighted heavily for students with Pell Eligibility.

This is not a loan. These are grant funds provided by the federal government and do not have to be repaid. Students will be required to sign a certification/agreement. The awards will be issued on April 29, 2021.

If you have any questions about the emergency student grants, please contact the Financial Aid Department.

Sincerely,

Tara Johnson
Director’s Finance Secretary / Financial Aid
