

# Tiger Trails

Published by the Waynesville R-VI School District  
December 16, 2016

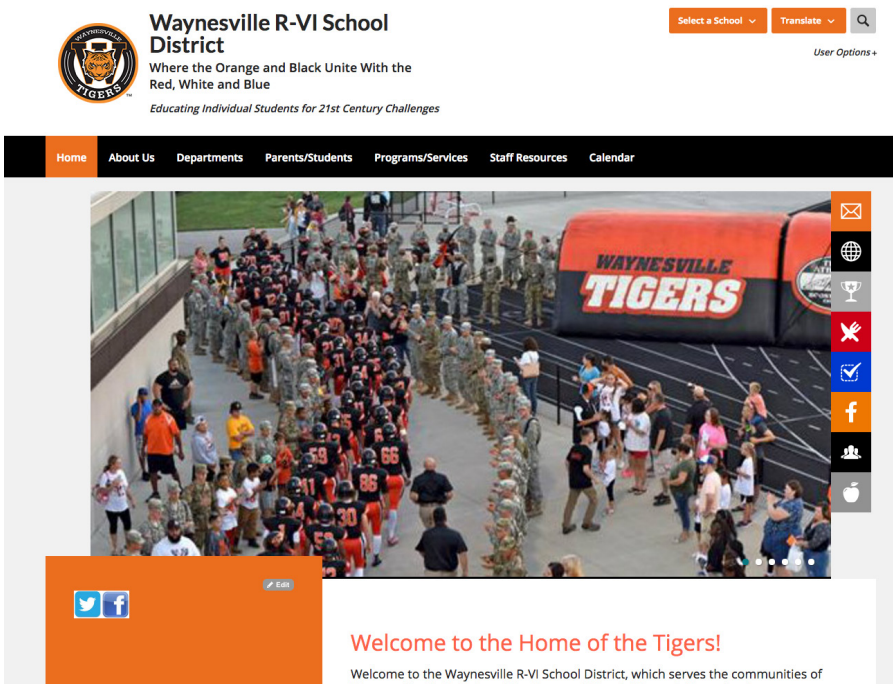

The Waynesville High School Chamber Choir performed for the Rotary Club of Pulaski County on Tuesday. The WHS Choir will host concerts on Saturday, Dec. 17, at 6:30 p.m. and again at 3 p.m. Sunday, Dec. 18, at the WHS Auditorium.

## Lab results show case at East not mumps

As of Dec. 16, 2016, the medically diagnosed case of mumps at East Elementary has been reported as negative through lab results by local and state health officials.

“While it turned out that the suspected case was not the mumps, we are thankful for the doctors and parents reporting it to us,” says Dr. Brian Henry, superintendent. “We would rather err on the side of caution and with the confirmed high school case, obviously, we are going to remain vigilant in our prevention practices.”

## Waynesville’s website to sport new look on Monday

Based on the input of parents, patrons and staff, the Waynesville R-VI School District’s website will launch its new look on Dec. 19.

The system will remain the same and teacher pages should transfer over smoothly. If you experience any challenges, please contact Marianne Ward at [mward@waynesville.k12.mo.us](mailto:mward@waynesville.k12.mo.us).
