Additional Guidance on Expectations:

Students must meet all criteria within a certain level to be eligible for that level. The “Alternate Criteria” category is meant to acknowledge and reward student consistency as well as promote student advocacy and responsibility. Students must apply/appeal through the guidance office, within the first week of the new grading period, to be eligible for level advancement within the “Alternate Criteria” guidelines. Appeals will be granted on a case by case basis. Students will only be granted 1 appeal per semester year.

Appeal example: Student received 1 D, 1 referral and no ISS/OSS for the grading period. Students are eligible to appeal for “Orange Stripes” status.
