

# ENROLLMENT INFORMATION

## STUDENT MEDICATIONS

Students wishing to take any medications (prescriptions or over-the-counter) at school, must have a new medication authorization form completed by the parent on file for the upcoming school year. All medications must be in a properly labeled bottle and kept at the nurse's office. Students are not allowed to bring any medications (including Tylenol, cough drops, or other over-the-counter medications) to school without proper paperwork being on file at the nurse's office.

Students are not allowed to carry any medication with them at school or to and from school. Long-term medications (greater than 10 days) require a medication authorization form completed by the parent. Prescriptions that require the student to carry medications themselves such as inhalers, Epi-pens or other devices authorized by law, will require a physician's signature and an authorization and release form from the parent to be on file in the nurse's office. The student must be able to demonstrate proper usage to the school nurse and comply with additional requirements under law and/or Board policy. If the medication is given for an extended period of time, a 30-day supply must be delivered to the nurse's office by the parent/guardian unless prior arrangements have been made with school administration. It is the parent/guardian's responsibility to keep track of refills.

For students with serious health care concerns, an Individualized Health Care Plan or other appropriate plan should be on file in their school building. Such plans should be updated each school year.

New students in grades kindergarten through twelfth who live within school district boundaries, including housing on Fort Leonard Wood, should enroll in the building assigned for their residence location.

If your address, phone number, or emergency contact has changed since the 2019-2020 school year, you should call the school each student attends after August 1 to update your information to ensure that each student will have the proper bus assignment/card.

### KINDERGARTEN AND FIRST GRADE ENTRY REQUIREMENTS

According to Missouri law, a child is eligible for admission to kindergarten if the child reaches the age of five before the first day of August 2020 or if the child is a military dependent who has successfully completed a (state) accredited pre-kindergarten program or has attended a (state) accredited kindergarten program in another state.

To be eligible to enter first grade, children must reach the age of six prior to August 1, 2020, or if the child is a military dependent who has successfully completed a (state) accredited kindergarten program in another state. Any child who successfully completed kindergarten in an out-of-state school accredited by the state, or a Missouri accredited urban or metropolitan school, will meet age requirements for entrance into first grade.

## SPORTS PHYSICALS

Students participating in sports at Waynesville High School or Waynesville Middle School for the 2020-2021 seasons will use the MSHSAA Physical Form. Athletes must have a sports physical dated after February 1, 2020, on file at the athletics office **before** the first day of practice. You can obtain a sports physical from Mercy Clinic in St. Robert. The free sports physicals are donated by Mercy Clinic and will be performed from 5:00-6:30 p.m. on:

**Aug 4** last names A-H  
**August 5** last names I-P  
**August 6** last names Q-Z

A parent signature will be needed on the sports physical form or a parent must be present for the exam.

**For questions or more information regarding sports, please call the Athletic Office at (573) 842-2450 or go to [waynesvilletigerathletics.org](http://waynesvilletigerathletics.org)**

## PARENT/ATHLETE SPORTS MEETING

The Waynesville Athletic Department will conduct a meeting for student athletes who plan to participate in a fall, winter, and/or spring sport for the 2020-2021 school year. All 7th and 9th grade student athletes are required to attend. All other student athletes who have not attended a parent/athlete sports meeting in the past will also be required to attend. These meetings will be held in the high school auditorium on:

**Sunday, August 16 at 4:00 p.m. at WHS**  
**Tuesday, August 18 at 6:00 p.m. at WHS**

**One parent/guardian must attend this meeting with their son or daughter.** Students will not be allowed to play in a game, match, or contest if they do not attend with their parent/guardian. The focus of the meeting concerns eligibility, sportsmanship, the student athlete code of conduct and parent-coach communication.

## SPORTS PARTICIPATION FEE

### SPORTS PARTICIPATION FEE

The following annual athletic participation fee will be charged for the 2020-2021 school year:

**\$25.00 for the first child;**  
**\$15.00 for the second child;**  
**\$10.00 for each additional child**

The fee should be paid by cash, check or money order payable to: **Waynesville Athletics Dept.** This fee will be used to help offset expenses in all areas of the overall athletic program. **This fee must be paid before the first game, match, or contest.** Students will not be permitted to participate in a game, match, or contest until the participation fee has been paid. If a student is injured and, therefore, excluded from participation for the season prior to the first scheduled contest, the participation fee will be refunded if requested by the end of the season. After the first contest is played, no money will be refunded. The participation fee will not be returned if a participant quits or does not finish a season. If a tryout policy is instituted for team members by the coaching staff, any participant not making the beginning season roster will have his/her participation money refunded, if requested by the end of the season.

# Attendance Areas for 2020-2021

Up-to-date information regarding attendance areas may be found online at: <http://www.waynesville.k12.mo.us>

Unless otherwise required by law, the Waynesville School District does not accept nonresident students (see Board Policy JECB located on the district's website at <http://www.waynesville.k12.mo.us>). A nonresident student shall be defined as a student who does not meet the requirements to be a resident student of the Waynesville School District, as defined in Board policies and the law.

Students are expected to attend the schools which serve the area in which they reside. Parents need to consider this **before** making plans for child care which might be outside the student's assigned school's service area.

Request for Student Transfer forms are available in all school buildings and at the administration building in the office of the director of student services. The form is for parents to request for their child(ren) to attend a school outside their attendance area, but still within Waynesville School District boundaries, due to special circumstances (e.g., day care). Policy JCB, Intra-district Transfers, states that the form **must** be used to request a transfer. Approved transfer requests require parent-provided transportation. Parents are **encouraged** to submit their request to the Director of Student Services at (573) 842-2092 as far in advance as possible. Not all transfer requests are approved. Maintaining pupil/teacher ratios across the district is the main factor used in processing the requests. **Requests may be submitted at any time. The requests are processed in the order in which they are received.**

## DAY CARE CENTERS

All students in off-Post day cares will be provided bus transportation to/from day cares within Freedom Elementary or East Elementary School boundary zones ONLY. In addition, these students will only be transported if the day care falls within the boundary of the school they attend. Parents are responsible for notifying the school when their children will be attending day care centers.

Bus transportation is provided to/from **all** elementary schools on-Post and off-Post for students attending the School-Age Services Center.

## AFTER SCHOOL PROGRAMS

The After School Programs provide a wide range of academic support, enrichment, and health and wellness activities for K-12 students.

**Elementary: 3:30 pm - 6:00 pm**  
(no available transportation home)

**Middle School/6th Grade: 2:35 pm - 5:30 pm**
