If there is any concern that a student may fail the second semester and wishes to make up the credit during summer school, the application should be completed.

To enroll, students should complete the application form and return it to their guidance counselor no later than April 14, 2023. Those students needing to make up credit toward graduation need to see their guidance counselor immediately. Due to limited class sizes, applications will be processed on a first-come, first-served basis.
