

2022-2023

Waynesville R-VI School District Back-to-School Workshops

VISION:

Excel as a student-centered community of learners that embraces diversity, collaboration and innovation:

Mission:

Prepare and empower individual lifelong learners for opportunities as citizens and leaders.

Collective Commitments:

- Our decisions will be focused on the best interests of students.
- Staff members will act with integrity, while respecting, understanding, and appreciating diversity.
- We will provide opportunities for students to grow as leaders.
- Through professional collaboration, we will implement innovative instructional strategies and assess their effectiveness with continuous evaluation.
- We will collaborate, communicate, and engage with our stakeholders.
- We will prepare students to be college and career ready (PK-12) through rigorous coursework and relevant learning experiences that fosters critical thinking.

Core Values:

- Student learning needs are the priority of our school district.
- Through equity and inclusion, our district enhances the educational opportunities for our diverse community.
- As a school district and community, we commit to high expectations and continuous learning to improve the educational experience for our students.
