Username & Password = 6-digit student number

Reading Online, Checking Out, and Downloading eBooks

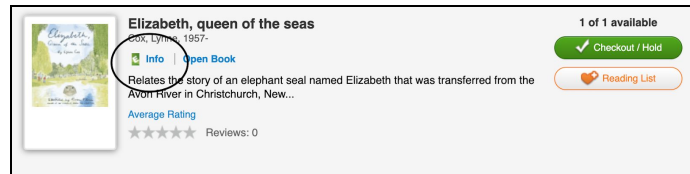

Step 1: Enter or click the Follett Shelf URL for your school (listed above). Sign in with your 6-digit Student ID Number as both username and password.

Step 2: Search to find an eBook.

Step 3: Click the “Info” link next to the book cover.

Step 4: Choose to Read Online, Check Out, or Download the eBook (see descriptions below).

Step 5: To get back to the main menu, exit the pop-up window.

Reading the book online will allow the book to be opened on multiple devices through the system browser. Internet connectivity is needed. Choose this option if you are just looking through the book, if the eBook is shorter and readable in one sitting, or if you do not want to check the book out.

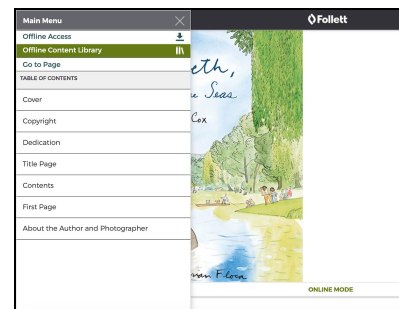

Checking the book out will allow the book to be opened on multiple devices through the system browser. Internet connectivity is needed. Choose this option if the eBook is longer and will require starting and stopping to finish it, or if you do not want someone else to check the book out before you finish reading it. Books may be read online, or in the Destiny Read app (see below) once checked out.

Students can check out general eBooks for 14 days, and Unlimited Simultaneous Access Books for 1 year. To extend check out time, the item must be checked out again.

Downloading the book to a device will allow the book to be opened on the Destiny Read App on your phone/iPad/Tablet. Internet connectivity is not required after the book has been downloaded. Space on the device is needed. You may find the book in the Offline Content Library on the Destiny Site, or in Destiny Read app.

Download and install **Destiny Read** from iPhone app store, or Google Play Store. For more information on the app, please visit the site below.
