How to access our eBooks!

Students and Parents:

I’m excited to announce that we now have access to eBooks, audiobooks and read-alongs at Thayer Elementary and home. Every student has their own account. They can be read on most tablets through an app or via a web browser. Students’ accounts are set to have access to Juvenile materials only. Here are directions for getting started:

- Install the SORA app from the Apple App Store or Google Play Store, or go to soraapp.com.
- In Sora, find your school. You may have to click on “Switch Schools” and/or “My School isn’t Listed”.

Once you find Thayer Elementary and select it, sign in. The username and password are your student ID #. (Students may know it as the number they use to login to the computers at school. You can find it in eSchool if your child doesn’t know it)
• When you get to your home page, you’ll want to be sure to add the public library. This will greatly increase the number of resources to which you have access.

  1. Select the icon in the top right corner that looks like three lines. This will open a new pane on the right side of your screen.

  2. Select “Add a Public Library” and search for Waynesville. You should be able to select the Missouri Libraries 2Go Waynesville Public Library.

  3. When you are searching or browsing, you will have to select which library to search or browse from by going back to this pane or using the toggle arrow at the top of the screen next to the name of the collection.

• Browse the Explore tab and borrow a book. Your book will open so you can start reading right away.
• If a book is already checked out, you can place a hold.
• Close the book and go to your Shelf to see all your books. From there you can:
  1. Tap Open Book or Open Audiobook to read or listen to the book.
  2. Tap Options to renew or return the book, get to your notes and highlights, and more.

Please feel free to contact me with any questions.

Mrs. Caldwell,
Thayer Elementary Librarian
