

2017-2018 Waynesville R-VI Board of Education Goals

Board SMART Objective: The Waynesville R-VI School District will reach 90% on the DESE Annual Performance Report.

Governance

Board Goals:

- Providing more info to patrons to build their confidence and trust.
 - Using every day language
 - 30,000 foot view
 - Give them needed info and be cognizant of the audience
- Provide recognition to certified/non-certified
- Continue with Diversity Team
- Provide climate survey on paper and measure participation rates (would like to see 90% or above)
- Continue board of education training and provide survey to measure effectiveness

Student Learning

Board Goals:

- Spend at least 75% of time on student learning at board meetings.
 - Regular & Study Session
 - Includes recognitions
- Increase college credit programs and monitor them with data
- Report enrollment numbers in rigorous coursework (as defined by MSIP)
- Investigate and develop a process to address the change in Census ACT Assessment
- Monitor wellness through student achievement to see if it's successful
- Continue to monitor PBL achievement and technology

Operations

Board Goal Areas:

- Prioritized list of duties in operational departments (also used as a tool to address savings during post downsizing)
- Monthly progress updates for middle school & frequent press releases with pictures (B2 money)
- Continue long-range plan for facilities
 - Acquire land/allocation funds for a potential elementary building
- Sign for high school
- Provide comparison studies for student class sizes and staff benefits/salaries to stay competitive
- Need assessment of building plan
- General maintenance to prevent major issues in buildings (capital replacement plan?)

Personnel

Board Goal Areas:

- Classified employee recognition (monitor the amount)
 - Bus drivers
 - Develop a program that recognizes different divisions in classified staff (longevity/performance)
- Update exit survey and report key findings to the Board of Education
- Survey for classified on training
 - How can we make their job more efficient?
- Increase recruitment efforts for diverse administrators and teachers
