# CANVAS STEP SHEET

HOW STUDENTS GENERATE A PAIRING CODE FOR THE PARENT APP

***Parents need to download the **Canvas Parent App** from their preferred device provider (ex. Google Play Store, iTunes, etc…)

1. Student needs to login
2. Click on "Account," then "Settings."

3. On the right side of your window, click on "Pair with Observer."

4. A window will open with your Observer Code. When entering the code into the Canvas Parent App, the characters are case sensitive. It must be typed exactly as it looks.
