

Dear Parent/Guardian(s):

The Waynesville R-VI School District has partnered with Central Ozarks Medical Center to offer medical services through a school-based health clinic which will be housed at East Elementary. Laurie Sparr, Family Nurse Practitioner, will provide these services under the supervision of COMC's pediatrician, Dr. Kristin Theobald-Hazel & Dr. Daniel Schmidt, who is a family practice physician. Laurie can provide a complete range of medical services to your child, from urgent care when they become sick at school to monitoring chronic conditions, such as asthma. She is also able to write prescriptions. Please see the attached Frequently Asked Questions (FAQs) for more information.

COMC is a local non-profit organization that has worked to meet the health care needs of our community and the surrounding area since 1979. This program will provide any pre-registered child an opportunity to receive medical services at school during normal school hours.

There will never be any treatment provided to your child without your consent. Should your child need to be seen by Laurie, you or another person you have identified (on the following forms) will be called prior to any care occurring, and you will be able to be present during care. You will also receive a summary of any care your child receives, and any prescriptions or other referrals your child needs. If you indicate on the form the name of your child's medical provider, we will provide records of any visit your child has at the school to their provider.

We will bill your child's insurance, if any, for the services they receive, but any remaining balance **WILL NOT** be billed to the parents/guardians. We accept Medicaid, Tri-Care, private insurance and offer a Sliding Fee Scale Program based on family size and income. There will be a spot to request more information on the Sliding Fee Scale Program later in the forms provided for you or your child as well as help determining insurance and Medicaid eligibility.

Appointments can be scheduled starting February 12, 2018. To schedule an appointment please call the school-based health clinic at 573-842-2164.

We look forward to working with you to provide the best possible medical health services for your child. If you have any questions or concerns please contact either COMC at 573-765-5131 or Laurie Sparr at 573-842-2164.

Sincerely,

Robert Stiles
Chief Executive Officer
