Fall 2019

Music Program Assessment

Students will be assessed during their music rehearsal/ performance on the cues of the conductor.

I am looking for each student to be following my directions and engaged in the musical process.

Students will receive a booklet of songs to rehearse at home after Christmas.

Recorder Purchase

Fifth grade students will begin playing recorders in class after Thanksgiving. There is a final assessment on recorders in the 4th quarter. If you don't have a recorder from last year, you will need to purchase one soon.

Fourth grade students will begin playing recorders in class after Christmas. I will send more information when it is time to purchase them. Please do not send money at this time.

The school has recorders to purchase for \$4.00.

If a student has a recorder that is different from those available here at school, the student should bring it to class to have it tested. If it sounds out-of-tune, the student will need to buy a school recorder, otherwise it will sound incorrect in class. Their original recorder would be good for practicing at home.

music programs

Jazz (The Musical)

Costuming:

Boys -white shirt/black pants

Girls -white shirt/black pants OR dress in a solid color

East House 1st and 2nd

Hernandez-1, Loidl-1, Beck-2, Cole-2
